Constituent Network Commitment to The Association of Former Students and Texas A&M University

A Constituent Network shall stimulate interest in Texas A&M University and encourage loyalty in its former students by forming an organization within The Association. They may establish programs to further the educational and charitable interests of the particular Constituent Network and Texas A&M University including to sponsor programs and events for its members and publish newsletters. Each Network shall also assist in furthering the purposes of The Association. These include:

- a. Strengthening The Association of Former Students
- b. Promoting the interests and welfare of Texas A&M University
- c. Perpetuating ties of affection and esteem formed in university or college days
- d. Increasing the active participation in The Association.
