- ✦ Evening game drives and nature walks

The Best of Tanzania 13 Day Migration Safari August 18 - 30, 2010

Howdy!

This exceptional safari designed exclusively for The Association of Former Students, Texas A&M University, explores the Best of Tanzania and travels to extraordinary national parks and reserves such as Tarangire National Park, Lake Manyara National Park, Ngorongoro Crater, Olduvai Gorge, and the famous Serengeti National Park. Traveling in such diverse habitats, you'll experience unparalleled wildlife viewing opportunities including the annual movement of the wildebeest and other grazing herbivores across the Serengeti Plains - one of the greatest spectacles of the natural world!

While on safari you will experience deluxe tented camps and lodges, you'll be pampered by our private camp staff, treated to gourmet meals, and you'll be accompanied by highly skilled safari guides, who will introduce you to the vast wealth of wildlife found in East Africa.

I would like to personally invite you to join me as I host this migration safari in Tanzania. I have had the great opportunity to accompany

several safaris in Tanzania and am looking forward to sharing this incredible experience with you. Space is limited to just 15 travelers, so don't delay!

To make a reservation, please return the attached reservation form with your deposit. If you have any questions, please call The Association of Former Students, Texas A&M University at 979.845.7514 or 800.633.7514.

THE BEST OF TANZANIA - 13 DAY MIGRATION SAFARI AUGUST 18 - 30, 2010

DAY 1 & 2 – AUGUST 18 & 19

Depart U.S. / Arrive Arusha

Connect in Amsterdam with your flight to Kilimanjaro Airport, arriving late evening. Welcome to Tanzania! You will be met on arrival by your safari guides and transferred to the *Dik Dik Hotel*, located at the foot of Mount Meru, for overnight.

DAY 3 – AUGUST 20

Tarangire National Park

After our breakfast and our morning briefing, we depart Arusha, traveling with picnic lunch to Tarangire National Park. We enjoy our first game drive and then we check into *Kikoti Safari Camp*, our tented camp for the next three nights. Welcome cocktail, dinner and overnight Safari Legacy's *Kikoti Safari Camp*. (BLD)

DAY 4 – AUGUST 21

Tarangire National Park

Full day exploring Tarangire National Park with morning and afternoon game drives. Here we observe a diversity of wildlife amidst the many baobab trees for which the park is famous. Tarangire, best known for its herds of elephant, is home to more than 2,500 individuals. Other common mammals include Impala, African Buffalo, Common Zebra, Maasai Giraffe, and over 260 bird species. Overnight Safari Legacy's *Kikoti Safari Camp*. (BLD)

DAY 5 – AUGUST 22

Tarangire National Park

Today we enjoy morning and afternoon game drives and a guided walk. Overnight Safari Legacy's *Kikoti Safari Camp*. (BLD)

DAY 6 – AUGUST 23

Tarangire / Lake Manyara National Park & Cultural Village Visit / Ngorongoro Crater

This morning we drive to Lake Manyara National Park with picnic lunch. After our game drive we drive to Karatu where we have an opportunity to experience and explore the Iraqw Cultural Village. We continue to the Ngorongoro Highlands where we overnight at the *Ngorongoro Farmhouse*. (BLD)

DAY 7 – AUGUST 24

Ngorongoro Crater

Today we travel to the Ngorongoro Crater, the Earth's largest unbroken caldera. A veritable "Garden of Eden", the Crater is reputed to contain the highest density of carnivores, which includes Cheetah, Leopard and Lion. This is the only place in East Africa where one can easily observe a natural population of black rhino. Enjoy a full day in the crater with picnic lunch. This evening we overnight at the *Ngorongoro Farmhouse*. (BLD)

DAY 8 & 9 – AUGUST 25 & 26

Olduvai Gorge & Maasai Village / Serengeti National Park (Seronera Valley) – The Great Migration

After breakfast we drive to the Ngorongoro Conservation Area, traveling around the crater's rim descending to Olduvai Gorge. Olduvai Gorge is where archaeologists Louis and Mary Leakey discovered fossilized remains of the earliest known man, believed to be about 1.8 million years old. After our private presentation, we continue to Tanzania's most renowned national park, the Serengeti. Home to the greatest concentration of large mammals on Earth, the migratory herds of wildebeest, zebra and

gazelle roam widely in search of green grass and water. Full days exploring the Serengeti with morning and afternoon game drives. We spend two nights at our *Private Tented Camp*, perfectly situated near the migrating herds of Wildebeest and Zebra. (BLD)

DAY 10 & 11 – AUGUST 27 & 28

Serengeti National Park (Western Corridor – Grumeti) / Lake Victoria

Traveling west beyond the Seronera Valley, we enter the Western Corridor and Grumeti River region of the park. Famous for a population of Nile Crocodiles, the Grumeti is located in a lovely rolling hill and acacia woodland habitat. Morning and afternoon game drives each day will provide an opportunity to explore this great park which provides a year round habitat for many of the Serengeti's bird and mammal species. On day eleven we travel to the shores of Lake Victoria for a village visit. We spend two nights at the beautiful *Mbalageti Tented Camp* and will enjoy a special Farewell Bush Dinner under the star studded sky on our last night in the Serengeti. (BLD)

DAY 12 – AUGUST 29

Serengeti / Arusha – Shanga Bead Project & Cultural Heritage / Depart

After our morning game drive our short air journey returns us to Arusha where dayrooms have been reserved at the *Dik Dik Hotel*. We enjoy lunch at River House, followed by a visit to Shanga, a bead making community project. Afterwards, we have an opportunity for last minute shopping for wood carvings and tanzanite at Cultural Heritage until our transfer to the airport this evening. (BL)

DAY 13 – AUGUST 30

Arrive U.S.

Connect in Amsterdam and arrive in the U.S.

Jennifer Bohac

SAFARI ACCOMMODATIONS

Dik Dik Hotel Arusha

Located at the foot of Mount Meru, the Dik Dik Hotel is home to lush tropical gardens which compliment the forested environment and attract prolific birds. Swimming Pool.

Safari Legacy's Kikoti Safari Camp

Tarangire National Park

Kikoti is Maasai for "the place where life began", in reference to the Maasai community that has, for generations, roamed the game rich wilderness in which Kikoti is located. Situated in a private sanctuary, Kikoti Safari Camp is surrounded by a landscape of ancient boulders, baobab, mopane and fig trees and is located on the principal migratory corridor from the adjacent Tarangire National Park. At Kikoti, there are opportunities for walking and evening game drives.

Ngorongoro Farmhouse

Ngorongoro Highlands

An exclusive lodge on a 500-acre coffee farm, with amazing views of the Oldeani Volcano, the Ngorongoro Farmhouse is only a ten minute drive to the entrance of the Ngorongoro Crater. Swimming Pool.

Mbalageti Tented Camp

Western Serengeti

Located in the Western Corridor of the Serengeti National Park. The luxurious camp consists of exclusive tented chalets spread out to ensure privacy. All chalets have a bathroom with luxury amenities and are designed with attention to the smallest detail. Enjoy the panoramic views of the Serengeti plains and the Mbalageti River. Swimming Pool.

Safari Legacy's Private Tented Camp

Serengeti National Park

To sleep under canvas deep in the African wilderness is truly a unique and unforgettable experience. Safari Legacy's private tented camp consists of eight spacious walk in tents with large wooden beds with fresh cotton bedding. Private dressing room, water closet with flush toilet and hot showers are all ensuite. All electricity is provided by solar power. Our canvas luxury is enhanced by a dedicated safari crew and well trained chefs who prepare some of the finest cuisine in our separate dining tent. Outside, the open veranda is shaded, with canvas chairs and reading table. The camp is strategically located to ensure the best wildlife viewing possible, as well as maintaining sensitivity to the surrounding environment.

Kikoti Safari Camp, Tarangire
