for the Discerning Traveler

YOU ARE CORDIALLY INVITED TO JOIN

THE ASSOCIATION OF FORMER STUDENTS TEXAS A&M

TO EXPERIENCE THE NATURE AND WILDLIFE OF

THE MAJESTIC CANADIAN ROCKIES

SEPTEMBER 25 TO OCTOBER 1, 2015

OVERVIEW:

The Canadian Rockies are world-famous for their stunning beauty, mountain peaks, preserved forests, glaciers, waterfalls, canyons, limestone caves and the most amazingly colored lakes. Discover these breathtaking landscapes which are home to numerous World Heritage Sites by motor coach or van, the infamous “Rocky Mountaineer” and on treks. Your journey will start in the vibrant city of Calgary and finish in Edmonton. Trains played a crucial role in the history of Canada, conquering the treacherous mountain passes, fast rivers and steep drops. Brown and grizzly bears, moose and elk are among the wildlife that is often seen, while birdlife boasts the Bald Eagle among a plethora of North American birds. Built for the nature enthusiast, this trip will delight and awaken all the senses!

YOUR ITINERARY:

DAY 1 ~ FRIDAY ~ SEPTEMBER 25

CALGARY

Welcome to Alberta! Upon arrival at Calgary International Airport, you'll be transferred downtown to your hotel for the evening. Situated on the banks of the Bow River, Calgary is where the plains end and the mountains begin. The city dates back to the 1870's and was originally founded in response to a surge of whiskey traders who were looking to trade for furs with natives. Canada's 4th largest city, Calgary was a large oil city in the 1950's and served as host for the 1988 Winter Olympic Games. Today, Calgary is a cosmopolitan city surrounded by incomparable natural grandeur.

This evening, enjoy a welcome dinner at Char Cut Roast House. Over impeccable food (prepared by one of the finalists of Top Chef Canada!) and good company, prepare yourself for this incredible trip of a lifetime.

Your home this evening is the Hyatt Regency Calgary. Located among historic buildings along the Stephen Avenue Walkway, the Hyatt offers a step back in time, as the original structure dates back to 1866. A recipient of the AAA Four Diamond Award, the hotel is located in the heart of the city and features luxurious accommodations with views of the surrounding city or mountains, fitness center, and wireless internet.

Overnight at HYATT REGENCY CALGARY. (D)

DAY 2 ~ SATURDAY ~ SEPTEMBER 26

BANFF NATIONAL PARK, ALBERTA

This morning, visit Canada Olympic Park, the site of the 1988 Winter Olympic Games. Here you will have the opportunity to visit the top of the tallest ski jump for an unparalleled panoramic view of Calgary before departing the city, bound for the town of Banff, located in the heart of Banff National Park.

En route, travel through rolling farm and cattle fields that slowly disappear as prairies give way to peaks. Arrive in Banff in time to explore and enjoy lunch on your own. Take in the hustle and bustle of Banff Avenue, the main thoroughfare, or wander along the Bow River and it may be possible to find yourself in good company with some of the town's resident elk.

This afternoon, enjoy the 8-minute gondola ride to the top of Sulfur Mountain. Though it's a short ride, the higher you climb the more impressive and expansive the views become. When you reach the top, finding yourself 7,500 feet above sea level, embrace the fresh mountain air and take in the views of the surrounding mountaintops, the Bow

Valley and Lake Minnewanke. After your descent, continue on to take in more of the sights for which Banff is famous. Visit Bow Falls, an atypical waterfall in that it is short and wide, located close to the point at which the Bow and Spray Rivers meet. The Hoodoos of Banff are a sight to see. Years of sediment deposits on top of one another have resulted in magical rock formations. Surprise Corner is a point which opens up suddenly, offering stunning views of the historic Banff Spring Hotels.

In the evening, enjoy a lantern led tour of the Cave and Basin National Historic and World Heritage Site. This spot commemorates the birth of the Canadian National Park System and you will learn more about the park system as you explore the caves, with its naturally occurring warm mineral springs, and interactive displays and exhibits.

Check into your hotel for the next two nights, the Banff Caribou Lodge. This mountain lodge offers comfortable accommodations in the heart of Banff, in addition to a full service spa and a well-known steak restaurant.

Overnight at BANFF CARIBOU LODGE (B, D).

<http://www.banffcariboulodge.com/>

Distance Traveled/Time: 80 miles/90 minutes

DAY 3 ~ SUNDAY ~ SEPTEMBER 27

BANFF NATIONAL PARK, ALBERTA

Today, explore more of Banff National Park. Enjoy incredible views of the Cascade Mountains that surround Lake Minnewanke. Fed by the Cascade River, Lake Minnewanke is where you may spot elk, deer, or Rocky Mountain big horn sheep making their daily rounds.

Travel down historic 1A Highway, en route to Johnston's Canyon, in search of more wildlife. Wander past waterfalls tumbling from sheer rock cliffs and experience some of the freshest air on Earth.

This afternoon, take a tour of "The Castle of the Rockies," the Banff Springs Hotel. Completed in 1885, the hotel was

commissioned by William Cornelius Van Horn, the General Manager of the Canadian Pacific Railway at the time. He recognized the potential tourism of the Canadian west and acknowledged a series of resorts would help increase traffic on the railway. Today, the hotel remains an international symbol of Canadian hospitality. After your tour, you have the chance to experience the world class golf course located on sight or pamper yourself at the Willow Steam Spa (*at an additional cost*) before returning to your hotel for the evening.

Overnight at BANFF CARIBOU LODGE (B, D).

DAY 4 ~ MONDAY ~ SEPTEMBER 28
MORAINÉ LAKE & LAKE LOUISE, ALBERTA

Today you are in for a truly special experience as you get your first glimpses at Lake Louise and its neighbor, Moraine Lake. Both lakes derive their color from “rock flour,” or glacial sediments, suspended in the water, reflecting blue and green wavelengths.

Your first stop this morning is Moraine Lake, located in the Valley of Ten Peaks, which is famous, as you may imagine, for 10 notable peaks including Mount Allen and Deltaform Mountain. During your stop, take in the crisp backcountry air. Your next stop is Mt. Whitehorn and the Lake Louise Ski Hill. Once at the top, you’ll find yourself at the Lodge of Ten Peaks, set against a stunning backdrop of the Canadian Rockies. Here enjoy the stunning views during lunch. Afterwards, enjoy a gondola ride to the top of Mt. Whitehorn for an awe-inspiring panoramic view.

This afternoon, learn more about the history of the region on a guided Heritage Guided tour of the Chateau Lake Louise, also your home for the night. Lake Louise was first “discovered” by Tom Wilson, an employee of the Canadian Pacific Railroad, in 1882. What began as a one story log cabin has evolved into the Chateau where you will overnight, named after Queen Victoria’s daughter Princess Louise Caroline Alberta, and has played host to a trove of foreign dignitaries and Hollywood elite including Alfred Hitchcock, Marilyn Monroe, and King Hussein and Queen Noor of Jordan. Additionally, you will learn

how Lake Louise is considered the birthplace of mountaineering in Canada, as it was a huge destination for Swiss mountain climbers in the mid 1800's.

Spending the night at the Chateau Lake Louise, you will experience well-appointed accommodations with lush bedding and views of the grounds, in addition to a state of the art fitness center and spa.

Overnight at the CHATEAU LAKE LOUISE (B, L, D).

Distance Traveled/Time: 35 miles/45 minutes

DAY 5 ~ TUESDAY ~ SEPTEMBER 29 **JASPER NATIONAL PARK, ALBERTA**

This morning, it is time to bid farewell to Lake Louise and drive along one of the 10 most scenic drives in the world, The Icefield Parkway. It's hard to miss any of the snow-capped mountain peaks, hundreds of glaciers, and the magnificent Alberta landscape created by withdrawing glaciers. Along the way, keep an eye out for bear, elk, moose and mountain goats that call these towering rock formations home.

Stop to take in the Crowfoot Glacier and Bow and Peyto Lake en route to the highlight of your morning, the Athabasca Glacier. Here you will board an Ice Explorer Bus and be given the opportunity to step foot on this 17,000 year old glacier. During this unique experience, taste ancient glacial water as it's expelled from the glacier, while

standing on ice that is as thick as the Eiffel Tower is tall.

Return to your bus and complete the drive to Jasper. Here, you will check into your home for the next two nights, the Sawridge Inn which features spacious and comfortable accommodations in the heart of Jasper and offers amenities including wireless internet and a wellness center with an indoor pool and a eucalyptus-scented steam room.

Overnight at SAWRIDGE INN JASPER (B, L, D)

<http://sawridgejasper.com/>

Distance Traveled/Time: 145 miles/3hours, 20 minutes

DAY 6 ~ WEDNESDAY ~ SEPTEMBER 30 **JASPER NATIONAL PARK**

Today, discover the Maligne Valley as you drive past Medicine Lake on your way to experience the Maligne Lake boat cruise. This interpreted, 90-minute cruise will take you past Spirit Island, an experience you will never forget. The drive through the Maligne Valley will take you to Maligne Canyon where you will experience the power of water as it has carved its way through the limestone structures. The region was considered mysterious by the French fur traders and their native guides and "mal" refers to the French word for sick or evil (as in malicious).

Enjoy lunch on your own in the heart of Jasper town where you will have time to explore this perfect, quaint mountain town where locals will make you feel like family. In the afternoon, enjoy a gentle float with a local

THINGS YOU NEED TO KNOW ABOUT THE CANADIAN ROCKY MOUNTAINS

Participants

- Participants must be able to climb in and out of minibuses unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time, as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and / or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

General

- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries and occasionally your accommodations.
- Participants should travel with a spirit of adventure and flexibility. Remember to pack your patience and sense of humor!

Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the “land only” rate for this program. **The main program begins in Calgary and ends in Edmonton. The post extension ends in Vancouver.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change
