# FEATURING THE FIVE-STAR, LUXURIOUS MEKONG PRINCESS

Southeast Asia is known for the quiet simplicity of its rural regions and the dazzling indulgences of its major cities. Now, Haimark unites these two worlds with the introduction of the *Mekong Princess*, an innovative spa-concept vessel and the first of her kind to cruise the rivers of Asia. Built exclusively for luxury river cruising, the *Mekong Princess* masterfully navigates the remote distributaries of the Hau-Mekong River, visiting places so off the beaten path that locals find visitors as fascinating as we find them.

Twelve magnificent suites spoil just 24 privileged guests with unparalleled personal space and soothing, French-colonial décor. Talented spa professionals join an expert crew for a staff-to-guest ratio of greater than 1:1. And onboard wellness activities, presentations, and exquisite dining experiences ensure every moment of every journey is nothing short of amazing.

INDOCHINE DINING ROOM

## INDOCHINE DINING ROOM

Crisp, white tablecloths, ethereal wall murals, and dazzling chandeliers set the scene for magnificent dining experiences in the ship's Indochine Dining Room. Here, Culinary Director Jorg Penneke brings the onboard cuisine deliciously to life with his innovative fusion of traditional Southeast Asian cuisine and Western flavors. Using locally-sourced fresh herbs, fruits, and vegetables, some of which are rarely found elsewhere in the world, Chef Penneke's culinary team ensures each meal is a delight for all of your senses. Sumptuous breakfast and lunch buffets offer a variety of Southeast Asian dishes and Western favorites. Each evening, exquisite multicourse dinners are paired with select wines, gracious service, and lively conversation shared in the company of like-minded travelers.

## RAMVONG LOUNGE & OBSERVATION DECK

The indoor air-conditioned Ramvong Lounge is the perfect place to sink into an overstuffed sofa and take in a stimulating lecture, an afternoon movie, or a lively cultural demonstration. Pull up a seat at the bar and toast the day's adventures with perfectly mixed cocktails and exotic local spirits. Or curl up in a comfortable corner and read a copy of *The Quiet American*, *In the Shadow of the Banyan*, or *The Miracle of Mindfulness* borrowed from the ship's library. On the covered, outdoor Observation Deck, thick-cushioned chaise lounges, conversation seating areas, and six ceiling fans create a cool space for enjoying a morning coffee, an herbal tea, or quiet meditation while contemplating life along the river banks.

RAMVONG LOUNGE

## LIBRARY & INTERNET LOUNGE

# MYSTERIES OF THE MEKONG RIVER DELTA

The lowland countries of Vietnam and Cambodia offer an intoxicating blend of experiences all with one unifying theme, their dependence on the river. Flowing from the Lasagongma Spring high in the Tibetan Plateau through steep mountain gorges down to the South China Sea, the Mekong River is a way of life for the people of Southeast Asia. In both rural areas and urban centers they live, work, eat, sleep, and even shop on her waters and along her shores.

# PROGRAM & ITINERARY

## DAYS 1-2 DEPART FROM YOUR HOME CITY TO HO CHI MINH CITY, VIETNAM

Depart from your home city on an overnight flight. Arrive at the Ho Chi Minh City airport, where a Haimark representative will greet you. Transfer to the Intercontinental Asiana Saigon hotel, your home for two nights.

## DAY 3 HO CHI MINH CITY

After breakfast and the Welcome briefing, your city tour begins with the incredible French colonial architecture at Notre Dame Cathedral and the Central Post Office, followed by a visit to the Reunification Palace and War Remnants Museum. This afternoon, enjoy some free time for lunch on your own and to enjoy the city at your leisure. This evening, join the group for a Welcome dinner of local cuisine at one of the best restaurants in the city. (B/D)

## DAY 4 HO CHI MINH CITY/ EMBARKATION

After a scenic drive outside Ho Chi Minh City, visit the underground passages known as the Cu Chi Tunnels, which stretch to the Cambodian border. Following an above-ground tour, return to the city for lunch at one of Saigon's excellent restaurants. This afternoon, you will transfer to the awaiting *Mekong Princess*—unlike other river ships that are forced to dock outside of Saigon, the *Mekong Princess* will be able to meet us right in the heart of this exciting city. After the safety

briefing, we will start our 7-night cruise. This evening, gather with your fellow travelling companions for a special Mekong Delta Welcome Reception and Dinner. (B/L/Welcome Reception/D)

## DAY 5 BEN TRE/TAM BINH

This morning, we'll set off in traditional sampans along a mangrove-lined channel to visit the home of a local coconut candy maker for a fascinating look at the locals' ingeniously sustainable way of life. Like everything else here on the river, nothing is wasted—after the candy is cooked over fires made with old rice husks, even the ashes are reused, returning to the rice paddies to help replenish the soil. After a stroll through the family's orchard, horse-carts will transport us to another channel, where small, two-seater boats navigate the narrow creeks lined with Nipa palm. Return to the ship and enjoy lunch while you sail through an area of the Mekong Delta barely touched by tourism. Our destination is Ky Son Pagoda, an ancient Khmer pagoda dating back to the 4th century AD. Recognized by UNESCO in 1999, the site is one of the most important Hindu temple complexes in Southeast Asia. (B/L/D)

## DAY 6 CAN THO/THOT NOT

Bright and early this morning, we'll board a lovely sampan for a cruise through the colorful Cai Rang floating market near Can Tho. As the sun rises and vendors begin hawking their wares, we'll

weave among the incoming traffic—a dazzling feast for the senses and a photographer's dream come true—stopping to enjoy fresh coconut water, the popular Vietnamese "anti-aging drink." Leaving the market, we'll stop at another home factory to see how instant noodles are made, then tour a large, family-owned fruit orchard to see and taste the in-season tropical produce. Returning to the ship on our sampans, we'll enjoy a sumptuous lunch and an opportunity to relax. Later in the afternoon, the sampans return to transport us to the village of Thot Not, where xe loi (motorized trishaws) carry us through the village to a bird sanctuary. A short walk through the sanctuary leads to a viewing platform offering amazing views over the treetops and down on the nesting area of the protected egrets who shelter here. (B/L/D)

CITY HALL, HO CHI MINH CITY

SAMPANS, BEN TRE

LONG XUYEN

NATIONAL MUSEUM, PHNOM PENH

**DAY 7  
LONG XUYEN**

This morning, sampans will carry us into the bustling riverside market town of Long Xuyen. After a short walk through the town and market, we'll visit the Cao Dai temple, where we learn about Caodaism, one of Vietnam's fascinating religions. A popular movement that emerged in the early 20th century, Caodaism was conceived as a way of stopping the infighting among different religious sects and help unite the country following the end of the French colonial regime. In the afternoon, we'll visit a crocodile farm where we can view crocs and learn about their long history on the Mekong—if you're feeling adventurous; try feeding (or tasting) some crocodile yourself! (B/L/D)

**DAY 8  
HONG NGU/  
BORDER CROSSING**

Another unique stop awaits us today, with a call at a small island not far from the Vietnam-Cambodia border where, prior to the arrival of the *Mekong Princess*, the villagers had only encountered one western visitor! Here they make the traditional, checkered Khmer scarves that are exported to Cambodia. We'll see the weaving process as we visit several family homes and meet with local embroidery artists whose art is also on display. Our visit to this wonderfully friendly and welcoming village is sure to be one of your most lasting travel memories! Before returning to our sampans, we'll visit the local temple here, which is dedicated to another religion founded in Vietnam,

Hòa Hảo (pronounced: wah how). Founded in 1939 as a reform of Theravada Buddhism, Hòa Hảo simplifies Buddhist doctrine and rituals, and focuses on peasant farmers practicing in their homes, with aid to the poor replacing the funding of elaborate pagodas. (B/L/D)

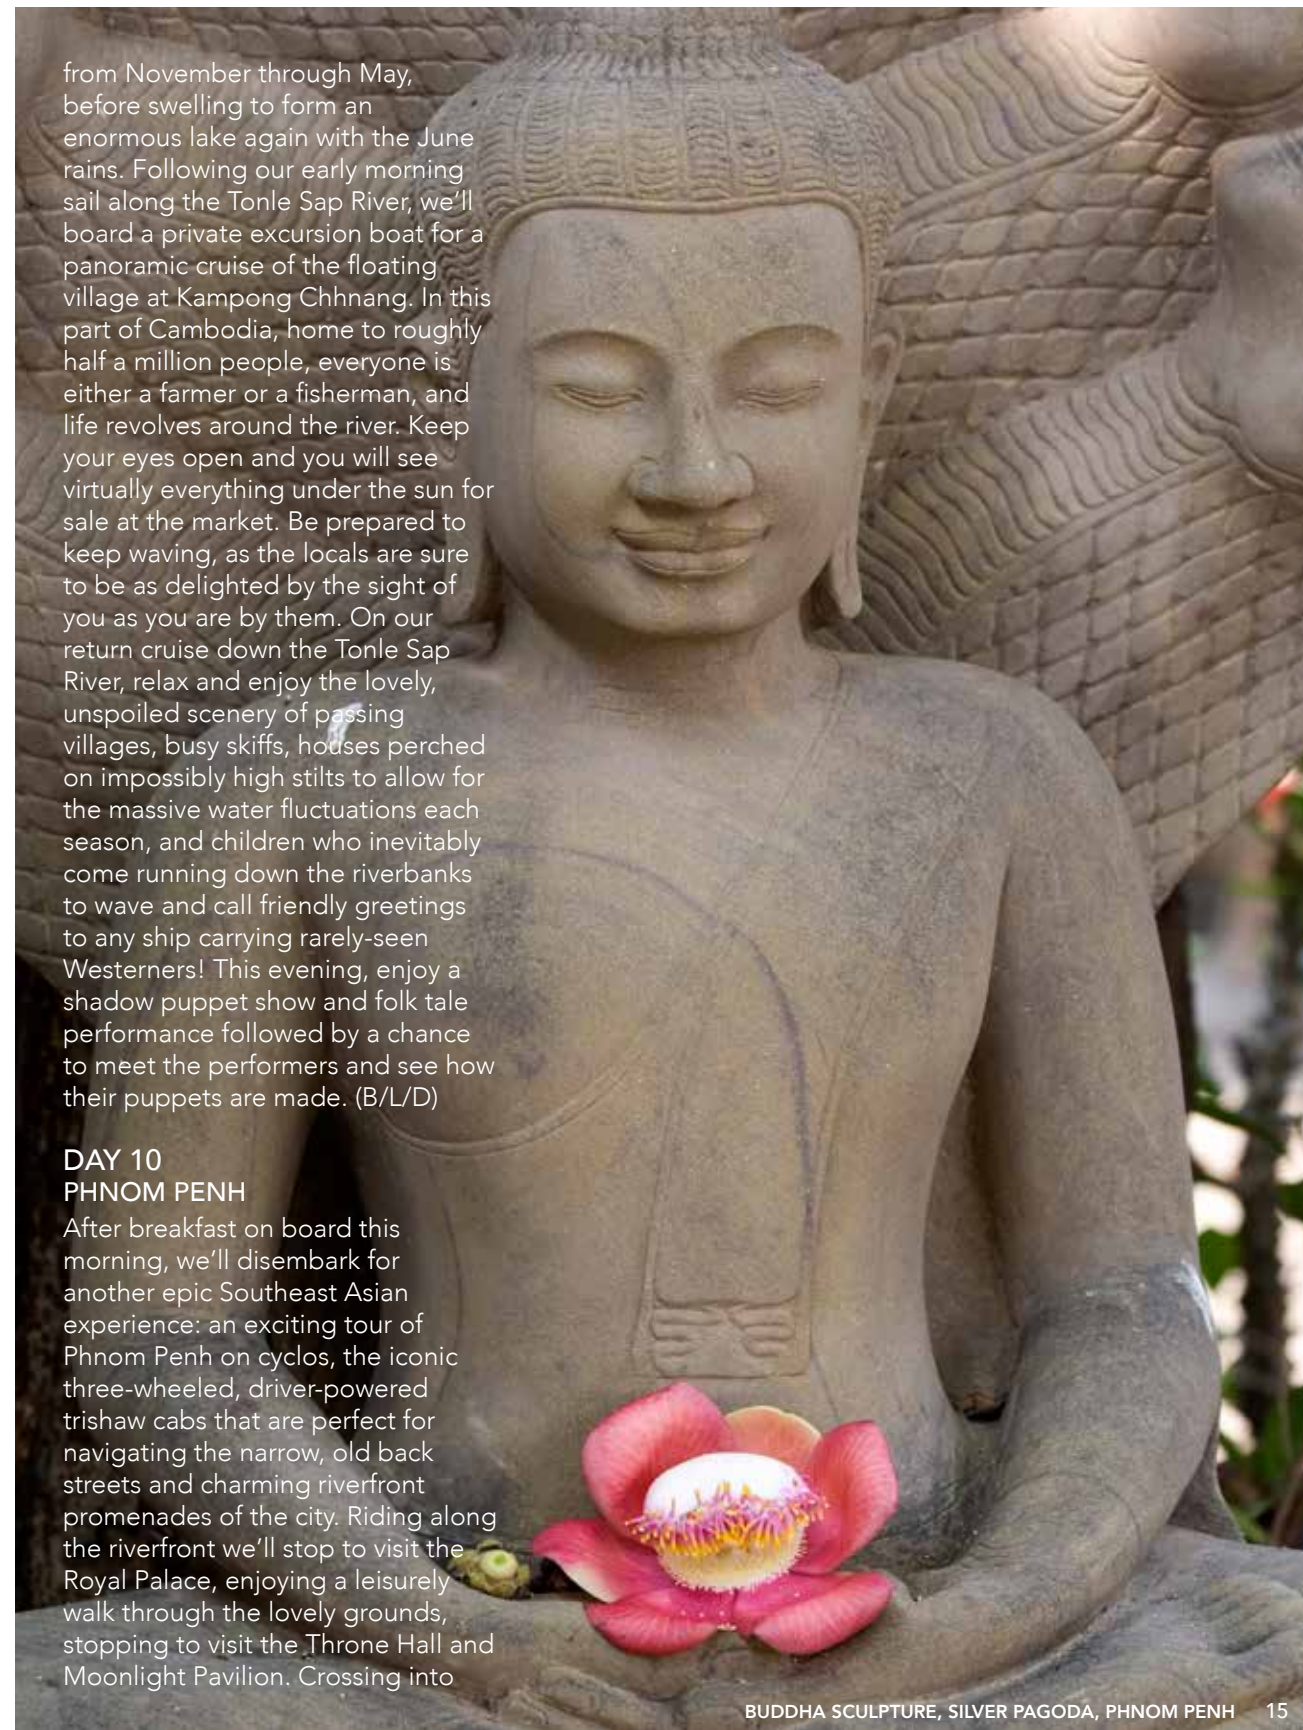

**DAY 9  
TONLE SAP RIVER CRUISE/  
KAMPONG CHH NANG**

Today we'll sail along the Tonle Sap River, a lake and river system that includes the largest freshwater lake in Southeast Asia, an ecological marvel that was designated a UNESCO biosphere in 1997. The Tonle Sap water system is unique: its flow changes direction twice a year, and the portion that forms the lake shrinks dramatically during Cambodia's dry season,

from November through May, before swelling to form an enormous lake again with the June rains. Following our early morning sail along the Tonle Sap River, we'll board a private excursion boat for a panoramic cruise of the floating village at Kampong Chhnang. In this part of Cambodia, home to roughly half a million people, everyone is either a farmer or a fisherman, and life revolves around the river. Keep your eyes open and you will see virtually everything under the sun for sale at the market. Be prepared to keep waving, as the locals are sure to be as delighted by the sight of you as you are by them. On our return cruise down the Tonle Sap River, relax and enjoy the lovely, unspoiled scenery of passing villages, busy skiffs, houses perched on impossibly high stilts to allow for the massive water fluctuations each season, and children who inevitably come running down the riverbanks to wave and call friendly greetings to any ship carrying rarely-seen Westerners! This evening, enjoy a shadow puppet show and folk tale performance followed by a chance to meet the performers and see how their puppets are made. (B/L/D)

**DAY 10  
PHNOM PENH**

After breakfast on board this morning, we'll disembark for another epic Southeast Asian experience: an exciting tour of Phnom Penh on cyclos, the iconic three-wheeled, driver-powered trishaw cabs that are perfect for navigating the narrow, old back streets and charming riverfront promenades of the city. Riding along the riverfront we'll stop to visit the Royal Palace, enjoying a leisurely walk through the lovely grounds, stopping to visit the Throne Hall and Moonlight Pavilion. Crossing into

BUDDHA SCULPTURE, SILVER PAGODA, PHNOM PENH

the second, sacred section of the complex, we'll encounter enormous stupas, spirit houses, and countless potted flowers, all leading up to what is surely one of the most awe-inspiring sights in the world, the Silver Pagoda, home of the famous Emerald Buddha and the Maitreya Buddha, encrusted with more than 9,000 diamonds. Having come from the villages of the Mekong Delta, where so many live with so little, it is a truly incredible experience—one that helps visitors begin to get some insight into Cambodia's complex history. After an opportunity to walk through the Elephant Room, we'll get back into our cyclos and travel on to the National Museum, housing a spectacular collection of pre-Angkorian and Angkorian artifacts excavated from the Angkor Archaeological Area. We'll return to the ship by cyclo, after which there will be time to relax on board, walk along the quay, or visit some of the town's lively markets. Later in the afternoon, we'll embark on an excursion examining the darker days of Cambodian history, with a visit to the infamous killing fields at Choeung Ek, with its simple but chilling Memorial Stupa. Returning to Phnom Penh, we'll stop at Tuol Sleng, known as S-21, the former school that the Khmer Rouge made their prison and torture headquarters. Proof of Cambodia's warm heart and hopeful future is affirmed this evening, our last on board,

with a visit by children from a local orphanage. They will entertain us on board with a variety of folk dances as well as a performance of the traditional Apsara, Cambodia's national dance. Following the show, we'll gather for a festive Farewell Dinner in the Indochine Dining Room. (B/L/Farewell Dinner)

**DAY 11**  
**PREAK KDAME/  
DISEMBARKATION/  
SIEM REAP**

Following breakfast this morning, we'll disembark in Preak Kdame, and transfer to Siem Reap. On arrival, check into the elegant and serene Victoria Angkor Resort and Spa. After lunch on own, join the Siem Reap city tour by rickshaw (also known as a tuk-tuk) for an introduction to Siem Reap's bustling atmosphere, many dining and shopping options, and stop at a traditional artists' workshop. The evening is at your leisure. (B)

**DAY 12**  
**SIEM REAP**

Begin your exploration of the Angkor Archaeological complex, a UNESCO site, with a visit to Angkor Wat, the most recognizable landmark in Cambodia, and the largest religious monument in the world, with the longest continuous bas-relief sculpture in existence. After lunch at a local Khmer restaurant, explore the south gate of Angkor Thom, and the pyramid temple of Bayon with its iconic carved heads. (B/L)

**DAY 13**  
**SIEM REAP**

This morning, you'll visit Banteay Srey, considered to be the pinnacle of artistic achievement at Angkor, and Banteay Samré. In the afternoon, you'll see the temple of Ta Prohm, which has been overtaken by the jungle, with tentacle-like tree roots spilling over centuries-old walls and roofs, enveloping much of the structure. This evening, enjoy a private dinner with Apsara show at a local venue. (B/D)

**DAY 14**  
**SIEM REAP/  
FLIGHT TO HANOI, VIETNAM**

After breakfast at the hotel, transfer to the airport for your flight to Hanoi, Vietnam. Upon landing in Hanoi, transfer to the InterContinental Westlake Hotel and check-in for your 2-night stay. The rest of the afternoon and evening are at your leisure. (B)

**DAY 15**  
**HANOI**

Visit the traditional, stilted home of Ho Chi Minh and One Pillar Pagoda, within the Ho Chi Minh Mausoleum complex, as well as Hôa Lò Prison (also known as the "Hanoi Hilton") during your morning city tour. After an included lunch, step into a cyclo for an exciting tour of the Old Quarter, ending your afternoon with a traditional water puppet show. Tonight you will be treated to a Farewell Dinner featuring live musical entertainment and authentic Northern Vietnamese cuisine. (B/L/D)

**DAY 16**  
**HANOI**

After breakfast at the hotel, transfer to the airport for your return flight home, or continue your journey with our optional post-tour to breathtaking Ha Long Bay. (B)
