May 4-15, 2016

Howdy, Ags!

Experience the timeless splendor of Japan and South Korea on this custom-designed 10-night itinerary—featuring enthralling ports steeped in the traditions of ancient Buddhist shoguns and Samurai warriors, landscapes dotted with Shinto shrines, imperial castles and meticulous Japanese gardens—on land and by sea, the best way to see the richness of this beautiful region.

Prior to embarking the ship, spend three nights in the enchanting city of Kyoto, its serene landscape brimming with elegant cherry blossom trees. This charming city was the imperial capital of Japan from A.D. 794 until the mid-19<sup>th</sup> century, and has been the cultural capital of this island nation for more than 1,000 years. See the historic monuments of ancient Kyoto, a designated UNESCO World Heritage site—visit the opulent temples of Ryōan-ji, Kinkaku-ji and Kiyomizu and Nijō Castle, an imperial gem. Stroll through the iconic red-orange torii gates and temple grounds of the Fushimi Inari Shrine, dedicated to the deity of sake and rice, and walk through the most famous geisha district in all of Japan, the Gion District.

Visit impressive Himeji Castle, the oldest surviving feudal structure of medieval Japan; walk through poignant Peace Memorial Park in Hiroshima and visit its comprehensive museum; tour Itsukushima Shrine in Miyajima with its awe-inspiring Great Torii Gate, which appears to float on water at high tide. In Gyeongju, South Korea, see the glorious Buddhist Bulguksa Temple, which represents the material expression of Buddhist utopia on Earth, and the ancient Silla Kingdom Royal Burial Mounds. In Moji, admire the beautiful Mekari and Akama Shrines, and observe the lively excitement of a Japanese fish market.

This unique itinerary is an excellent value featuring five-star accommodations and at least one included excursion each day in the most beautiful and culturally fascinating ports along the Inland Sea of Japan. This program is sure to sell out quickly, so I encourage you to book now while space and Early Booking Savings are available.

# TRADITIONS, CEREMONY AND RITUAL

*A mysterious island nation, one of unsurpassed natural beauty and a way of life found nowhere else in the world, Japan and its fascinating culture is laden with ancient spiritual rituals, symbolism, stately ceremony and rich, storied tradition—the beginnings of which originated thousands of years ago. Tea ceremonies, Goh drama, ikebana (“the way of the flowers”), matsuri (the many seasonal festivals of worship) and classical landscape gardens are just some of the long-held traditions an immersion into Japanese culture will unveil. Experience the time-honored formality of the tea ceremony and look for the four different types of classical gardens: the paradise garden, kare-sansui (dry landscape) garden, stroll garden and tea garden, each with a different symbolic interpretation. You have the opportunity to stroll the harmonious landscaping of Koraku-en Gardens near Okayama. And, perhaps silent contemplation will reveal to you the lessons of the kare-sansui rock garden at Ryōan-ji, Kyoto’s Temple of the Peaceful Dragon, founded in 1450. This garden, one of the most famous in the world, represents the ultimate expression of Zen Buddhism—legend says that only 14 of the 15 rocks in the garden can be seen at once, and only when you attain spiritual enlightenment does the final stone reveal itself.*
