Once upon a time in Bavaria a handful of monks created one of the best known beverages in the world - Beer. It didn't take long for it to make rounds and spread all over Europe in all kinds of flavors and colors. Let's start exploring the Austrian world of beers at Ottakringer and enjoy some Schnitzel and Sachertorte with it in Vienna.

Then we turn time back to the middle ages when we stroll over Charles Bridge towards the center of the cutest medieval town of Europe, Prague. The old time with a unique charm will tell us why Pilsner and sausage are the Czech's best friends. What better way to end our trip putting on a Lederhosen or Dirndl and party at the biggest beer festival in the world - the one, the only OKTOBERFEST in Munich!
