2017 South Africa Hunting Safari

In the heart of South Africa in the Northern Cape Province, the spirit of Africa soars with its majestic landscapes. Though famously noted for its brilliant diamonds, the richest gem in the Cape is nestled among the camel-thorn trees, due south of the Kimberley mines – Wintershoek Johnny Vivier Safaris – is easily crowned the Hope Diamond of the hunting community and is arguably one of the finest safari destinations in the entire country of South Africa! We can provide every tick on a hunter's checklist for the safari of a lifetime. A sprawling, pristine and diverse land of over 112,000 privately owned and malaria-free acres of bushveld, boasting more than 35 species of trophy big game, including 2 of the Big 5. Gemsbuck, Eland, Roan, Sable, Kudu, Cape Buffalo Bulls, Blue Wildebeest, Red Hartebeest, Impala, Lechwe and more roam in abundance. Our dedicated team of highly experienced professional hunters, trackers and skinners, master taxidermists, and fleet of well-maintained vehicles will ensure an unforgettable and trouble-free safari experience. After a successful day in the field, our guests can relax around the boma to toast and recount the day's glory. At our luxury hunting camps-rated as some of the best in the country-guests will enjoy fantastic cuisine whilst our highly trained staff caters to their every need. When you've tried the rest, come and hunt with the best!
