UNIVERSITY®

TOGETHER, WE STAND AS A FORCE FOR GOOD

TEXAS A&M UNIVERSITY

NEARLY 150 YEARS AND COUNTING

From humble beginnings to a national powerhouse with global reach, what began as the state's first land-grant institution — with just 40 students and six faculty members — has grown into a university serving more than 81,000 students with over 4,300 faculty across multiple locations. The 150th Celebration set to kick off this fall will reinforce how Aggies have always stood together as a force for good.

TEXAS A&M ISN'T JUST COMPETING – IT'S LEADING

#1
PUBLIC UNIVERSITY IN TEXAS AND THE SEC

#12 NATIONALLY
among public institutions

These rankings are based on measures that include student experience, career preparation, learning environment and return on investment.

WSJ/COLLEGE PULSE, 2026

HIGHEST ROI AMONG TEXAS PUBLICS

A bachelor's degree from Texas A&M has the highest return on investment among Texas public universities as noted by The Foundation for Research on Equal Opportunity.

Texas A&M graduates can expect to earn $51,963 on average one year after completing an undergraduate degree program, compared to the state average of $47,340. That's the highest in the state of Texas and ***9.3% higher than the national average***.

THE FOUNDATION FOR RESEARCH ON EQUAL OPPORTUNITY

FAST COMPANY "BRANDS THAT MATTER"

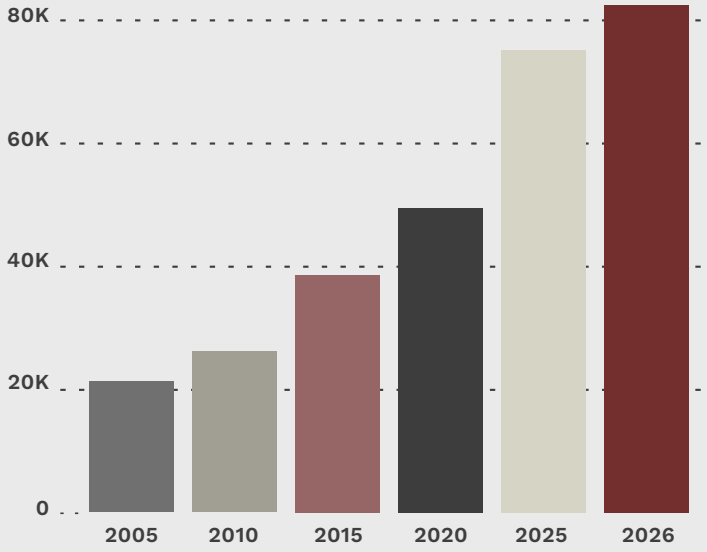

In 2025, Fast Company named Texas A&M one of its "Brands That Matter," ***the only university on the list*** with some of the world's most iconic organizations, including Coca-Cola, McDonald's, Netflix and Nike. The recognition highlights brands that connect purpose, creativity and culture in ways that make a meaningful difference in people's lives.

DEMAND FOR AN AGGIE EDUCATION IS AT AN ALL-TIME HIGH

At a time when many universities face flat or declining enrollment, freshman applications are up nearly 10% for fall 2026.

- Since 2005, applications have ***quadrupled*** from 20,548 to 82,231.
- Since 2015, applications have ***more than doubled***, from 38,471 to 82,231.
- Since 2020, applications have ***increased by 67%***, from 49,343 to 82,231.

UNDERGRADUATE APPLICATIONS OVER THE LAST 20 YEARS

→ AVERAGE 7% INCREASE IN UNDERGRADUATE APPLICATIONS EVERY YEAR FOR 20 YEARS

OPPORTUNITY MEETS AFFORDABILITY

Tuition freeze saved Texas A&M families more than

$60M OVER PAST 4 YEARS

Since 2022, Texas A&M has frozen undergraduate tuition and required fees at 2021 rates, helping Texas A&M families save more than $60 million over the past four years.

~63% OF AGGIES GRADUATED DEBT FREE

In 2025, ~63% of Texas A&M graduates completed their education debt free versus 45% of students nationally. The May 2025 graduating class completed their degrees without a tuition or fee increase while on campus.

3 GRADUATING CLASSES

experiencing tuition freeze

By extending the tuition freeze through 2026–27, at least two additional graduating classes will complete their Texas A&M degrees without experiencing a tuition or fee increase.

Complete tuition relief through

THE AGGIE ASSURANCE PROGRAM

Through the Aggie Assurance program — the state's first free tuition program for eligible Texas families meeting income requirements — Texas A&M's 17-year legacy offers complete tuition relief across all locations.

A FORCE FOR GOOD: BUILDING A BRIGHTER, SAFER WORLD

#1 RESEARCH UNIVERSITY IN TEXAS *AND* THE SEC

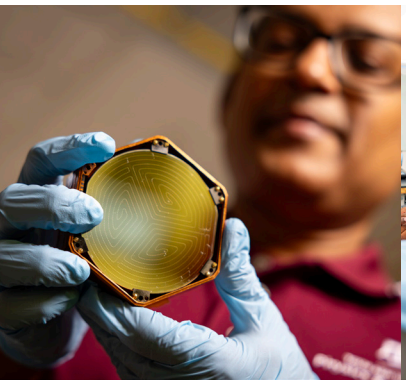

#13 AMONG PUBLIC UNIVERSITIES, #22 NATIONALLY

NATIONAL SCIENCE FOUNDATION HERD SURVEY

$1.4B IN RESEARCH EXPENDITURES

In FY24, Texas A&M drove nearly $1.4 billion in research expenditures, a number now approaching $1.6 billion. This figure accounts for approximately 18% of the total research spending at all Texas public universities (which totaled nearly $7.75 billion in FY24).

This means nearly one ***out of every five research dollars*** invested in Texas public universities is entrusted to Texas A&M.

Research leadership is the heartbeat of the Texas A&M student-faculty ecosystem, where discovery is a daily pursuit and breakthroughs are translated into real-world impact, today and for generations to come.
