**By April 26, 2019**

**Request for photographs to be used in video**

Please provide 40-60 photos from various aspects of your life, including:

- Childhood - 10 early life photos
- Time at Texas A&M - 10 photos from your college days
- Throughout your career - 20 career photos
- Your family - 20 family photos
- Involvement with Texas A&M – approx. 20 photos over the years

These are priceless, so we respectfully ask that you send them with a tracking number and signature required. After we have received them, we will scan them and return them in the same manner.

If you choose to send high-resolution digital photos please scan at high resolution (350 dpi) or they will not be of good quality in the video. Walgreens and Kinko’s will scan your photos and put them on a thumb drive for you (at a small cost).

For photos that include groups of people, please identify yourself as well as the others in the group.
