Personal Information Form

The Association’s communications staff will publicize the 2019 Distinguished Alumni in media including Texas Aggie magazine, press releases, social media and the Gala’s printed program. Some formats have room only for a very short description of you, so please let us know which information is most significant to you. Please limit your answers to two sentences per item and list the items in order of importance to you.

OTHER INFORMATION NEEDED:

1. How would you like your name to appear on all materials:

2. How should the name of your spouse appear? For current or former student, please include class year.

3. Please name any siblings/parents/grandparents who are current or former student, with class year.

4. Please list the full names of your children, including class years for any who are current or former students. If yours is a blended family, please let us know how you would like us to list children.

5. Please list the full names of your grandchildren, including class years for any who are current or former students.
To help us include a personal touch where possible, we would be most grateful for an example of your own words. We ask that you write a sentence or two on any of these, or a similar thought related to A&M/this award.

Again, please don’t feel you need to write a sentence on all these topics -- just any one or more that appeal to you:

How did Texas A&M shape you or give you tools you found useful in life?

What does Texas A&M mean to you?

Has there been a particular purpose or thought that underpins what you achieve in life?

What is your Aggie story or background?
