What a great time! Thanks to each of you 220 or so classmates who brought your family and friends for a total of more than 400 at the Reunion.

Friday night was a blast downstairs and at Midnight Yell. Although the game was hotter than $#*@ it was a lot of fun watching the Aggies BTHO Baylor 34-10. Wow - we also had good seats! The Rec Center Archery Room was nice and cool, and the food by J. Cody's was delicious.

Most of all, we had plenty of time to visit with old friends and also make some new ones.

Thanks tons to the staff at The Association of Former Students for all the help with our 25th Reunion. We're already making plans for our 30th in 2012!
