- Support Items Provided by The Association to Clubs & Groups .................................................. 5
- Accountability for Clubs & Groups ............................................................................................... 6
- Club Status Visual Guide .............................................................................................................. 7
THE VALUE OF A RESTRUCTURE

• Will *address inefficiencies* during changing times

• Better processes = *Continuity for Clubs and Association staff*

• Better record keeping = *Accurate count* of Clubs and their status

• Defined expectations and support will *increase accountability* for both Clubs and The Association of Former Students.
