The Houston A&M Club, in collaboration with the Houston Prospective Student Center, has organized this informative evening to provide an opportunity for Houston area students and parents to learn about Texas A&M University and all that it has to offer. Representatives from the Houston Prospective Student Center will be on hand to provide information and tips regarding enrollment, the application process and financial aid and tuition payment options for Texas A&M University. There will also be tables with representatives from the different colleges, clubs and organizations, such as the Corps of Cadets, to help supply information to prospective students.

If you’re like most students and parents, you have questions on your mind. This will be an opportunity to get all your questions answered.

This year we are very excited to announce that we have added a luncheon to the agenda! The Director of Admissions, Scott McDonald, will speak at this event where you will have an opportunity to ask him your questions. The event will be held at the Hess Club from 12-1pm on Wednesday, March 19.

Register Here for Lunch with Scott McDonald!
