Mentoring Opportunity

- The Society of Women Engineers chapter at Texas A&M is looking for women to mentor engineering students this semester!
- Key points: “As a mentor, you would participate in biweekly (every other week) email conversations with 1-3 college students. There will be several prompted discussion questions with each email to keep the conversation flowing. In addition, there will be two Zoom meetings this semester. These Zoom meetings provide a chance for mentors and mentees to meet as well as provide another opportunity to discuss professional development.”

Football Season

Biggest TBD since the last time we tied LSU in regular play

The current Club decision is no official Club watch parties or events until a vaccine for COVID-19 is widely distributed.

Non-Conference Games

- A thread in our Facebook Group will be opened for live commentary, memes and good laughs.

Conference Games

- We will meet virtually for halftime! Zoom meetings will be set to start 90 minutes after kickoff!

Football Season Continued

Swim At Your Own Risk

- We will not have Club watch parties in restaurants this year however, if you feel inclined, you may host
- Please do not host or attend if you are sick, have COVID-19, have travelled in the last 14 days prior to a game, have otherwise been exposed to COVID-19 or have later plans to gather with folks who are considered high risk (including coworkers)
- Please wear a mask when gathering with others
- Please limit your gatherings to the current state mandates
- Please support our local businesses and have them cater during football season
- Use common sense this season 😊

How else can I get involved?

Quarterly Business Meetings

- Expect Club business meetings to occur the 3rd Thursday in January, April, July & October
- Next Club business meeting is Thursday, October 15, 2020
- Muster will serve as our April meeting

Other Opportunities

- We need officers & someone to maintain the Club website!
- We need ideas for a Club logo!
- Around November, we will be looking for volunteers for the Muster committee
