A&M Pick’em Results!

There was no one able to pull off the perfect 12 games like Mark Patranella ‘82 did last year.........including Mark, who missed three games this time around. Five delusional Aggies decided 12-0 was the fate of the Maroon and White. The realists among us ended up in a fight to the finish. Rodney Dickschat ’84 picked the first 11 games perfectly but let it all ride on a victory in Baton Rouge. Four others, stumped by a loss to Auburn but otherwise ready to geaux for the title, took advantage of the LSU blowout and skipped past. When the Burrow air assault subsided, our winners were:

2nd Place  
Rosemary Knebel

3rd Place  
Brittni Knebel

1st Place  
Beau Hinze  
(second from right)
From the President

Howdy Washington County Ags!

What a year we've had! We currently have more dues-paying members than we have had in 10 years. Our Club has focused on offering more opportunities for local Ags to get together, and it has resulted in fantastic new events and great attendance. In addition to our usual Muster and Aggie Family Fun Night, we have had two Aggie Happy Hours, three speaker luncheons, and a football watch party. I want to extend my gratitude to the Washington County A&M Club Board for their hard work and great ideas - our Board Members are always up for exploring uncharted territory and have worked seamlessly throughout the year to increase the benefits of your membership. We have enjoyed spending time with our fellow Ags and watching new friendships being made at each event.

We're not done yet! We're going to take a break in December while everyone enjoys the holiday festivities, and we will see you back in 2020 as we kickoff the year with an exciting January event and a speaker luncheon in February!

In April, we traditionally "pass the torch" to the new Board Members at Muster. We have several Board Members rolling off this year after having served the Club for several years. That means that we are looking for a few good Ags to volunteer. There are several opportunities to help, and this organization makes a true effort to ensure all of our events are a team effort, dividing the responsibility to make it manageable for people to volunteer their time. We have several ways to get involved:

• Communications - general club communication, newsletter - we are specifically in need of a Communications Chair.
• Event Planning - Aggie Family Fun Night, Muster
• Speakers - Lining up speakers for our Quarterly Luncheons and Muster
• Scholarships - evaluating scholarship applicants and awarding scholarships

If you're interested in volunteering, please email washingtonaggieclub@gmail.com and tell us which area you're interested in. We will compile the information and reach out to each of you. We would like to involve multiple people in each area to create a deeper bench for succession from year to year.

Another way you can help is by paying your dues each year. We have forms available at every event or you can mail in the attached form. Dues are $20 per Aggie and help immensely in funding scholarships and building Club programs for everyone to enjoy. If you're not sure whether you have paid, shoot us an email or check the list at our next get together.

Thank you, Washington County, for your support and participation and for simply being great Ags! It's a privilege and a pleasure to be part of this Club, and I look forward to great things in 2020.

Gig‘em!

Jennifer Campbell ‘00
Other Tidbits

We know we’ve had local Aggies braving wind, rain, and loss at Aggie football games this year! Please send us some shots of your travels (doesn’t have to just be game photos) so we can put together a fun compilation for our January newsletter! Just email them to the club address and be sure to identify the location and people in each photo!

Stay tuned for details on our mid-January 2020 Kickoff Event!

Big Thanks to Thrivent Financial for sponsoring our November Happy Hour at The Yard!
