# SUPPORTING AND SERVING

ore than 140 years ago, on June 26, 1879, 11 Aggies gathered in Houston to form the Ex-Cadets Association, the nucleus of what today is The Association of Former Students. They sought to keep a record of all who had attended the college, with a goal to promote fellowship. That simple charge remains at the core of The Association's mission today as we seek to strengthen The Association of Former Students, perpetuate the ties of affection and camaraderie formed in university or college days, promote the interests and welfare of Texas A&M, and serve the student body.

We are pleased to present this Annual Report, recapping the year ending Dec. 31, 2018—a year in which we set a record for the number of donors to The Association, set a record for the number of dollars we raised, and exceeded our \$100 million commitment to Texas A&M's \$4 billion campaign. Our organization today serves more than 500,000 former students worldwide and provides an annual impact of \$13.6 million to Texas A&M and the Aggie Network. We thank each and every former student for your support and involvement, with a special tip of the hat to the hundreds of volunteer leaders upon whom we rely to help us carry out our mission (see Pages 50-71).

For the remainder of 2019 and throughout 2020, The Association will continue working toward our goal of increasing A&M's annual count of donors to 100,000 in order to allow greater support for programs, provide more resources and cultivate more experiences for the current and former students of Texas A&M.

#### **CENTURY CLUB**
