Current Priorities

1922 Fund
• The 1922 Fund represents our desire to endow scholarships and services for all student-athletes at Texas A&M. It is an initiative that will benefit student-athletes from different teams, backgrounds and upbringings, and it is one that will forever resonate. An investment in the 1922 Fund is a direct investment in the long-term viability and success of Texas A&M Athletics. This important initiative allows donors to direct gifts to a particular sport or academic service provided by Texas A&M Athletics. Named endowments begin at $25,000 and are payable over five years.

Swimming & Diving Facilities
• The 12th Man Foundation is actively engaged in fundraising for enhancements to the Student Recreation Center that would benefit Texas A&M’s nationally-ranked swimming and diving programs. The project includes a significant expansion of the locker rooms, team meeting rooms and coaches’ offices, as well as the creation of space dedicated to player development and training.

Annual Giving
• Your donation to the Annual Fund transforms every student-athlete's experience at Texas A&M by allowing the Athletics Department to use donations where they are needed most to best support student-athletes, athletics programs and athletics projects. Seat donations at various A&M venues, including Kyle Field, Reed Arena and Blue Bell Park, are all crucial elements of supporting A&M Athletics. 12th Man Foundation memberships begin at $150 per year and carry a variety of benefits.
