AGGIE MUSTER PHOTOGRAPHY BEST PRACTICES

Each year, The Association of Former Students enjoys seeing and sharing pictures of Aggie Musters around the world, as they are full of heartfelt homecomings, camaraderie and incredible Good Bull.

As you plan to take photos or ask your guests to take photos, strive for a variety of candid and staged photos. A photo of the entire group is always welcome, but we also would like to receive photos that showcase the event or show Aggies having fun together.

Here are a few photos that you or your guests can take at your Aggie Muster.
