TEXAS A&M FOUNDATION

ABOUT

The Texas A&M Foundation is a nonprofit organization that exists for the benefit of Texas A&M University. As the primary academic fundraising institution for Texas A&M, we inspire philanthropy to support this unique American institution and share in its promising future. Foundation staff members solicit and manage investments in academics and leadership programs essential to the university's pursuit to be among the best universities.

The Foundation works with former students, corporations and other Texas A&M supporters to match their charitable interests with the university's prior-

ities. Your gifts create scholarships, advance faculty endeavors, enhance student programs and fund new buildings.

The Foundation manages gifts of all types and sizes, with a focus on major gift endowments. We invest these gifts and disburse part of the investment earnings for the purposes donors designate. In this way, endowments remain forever, benefiting Texas A&M students, faculty and programs for generations. In fiscal year 2019, the Texas A&M Foundation reported total net assets of \$2.09 billion and provided \$108.1 million to the university.

The Texas A&M Foundation's **mission** is to build a brighter future for Texas A&M University, one relationship at a time, by uniting generosity and vision to raise and manage endowed gifts.

WHO MAKES MAJOR GIFTS?

You don't have to be a millionaire to create a major gift. Young couples on tight budgets have used employer matching gifts to establish scholarships. Mid-career men and women have supported student programs by designating the Foundation as the beneficiary of a portion of their retirement accounts. Senior Aggies have found financial security and saved on taxes by making real estate gifts.

WHO ELSE GIVES?

Individuals, clubs, corporations and other philanthropic organizations also generously give through the Foundation.

WHAT TYPES OF GIFTS ARE ACCEPTED?

Gifts come in many forms. The Foundation accepts current gifts of cash, matching funds, securities, honorary gifts, memorial gifts, planned gifts, corporate gifts, real estate gifts and online gifts.

WHAT ARE THE BENEFITS OF GIVING?

Individuals can choose to direct their gifts to the areas they are most passionate about— whether that is Texas A&M students, faculty, colleges or programs. In addition, donors might enjoy substantial tax benefits. The Foundation also recognizes Texas A&M University supporters through its Legacy and Heritage societies.
