## WHAT TO EXPECT ON SAFARI IN TANZANIA

On safari in Tanzania you can expect excellent accommodations — Hotel/lodge and deluxe safari-style camping; great food with many choices; some picnic lunches; light walking; a few long drives — up to six hours at times, which can be on some uneven bumpy roads — which will always include wildlife viewing when moving from one park to the next; some dust; morning and afternoon game drives each day; and cool mornings and evenings with warm days. One must be able to climb (step on and down) in and out of a safari 4x4 vehicle and in and out of a small aircraft. One should be in good physical condition, remain flexible, be of good humor, and have a spirit of adventure and curiosity to enjoy this safari to its fullest.
