Exploring Galápagos: One Week Sailing the Islands

With an Optional Extension to Peru

NOVEMBER 7-16, 2025

ABOARD NATIONAL GEOGRAPHIC ENDEAVOUR II

SPECIAL OFFER: 10% GROUP SAVINGS

Howdy, Ags!

The collection of islands known as the Galápagos is, in the words of Charles Darwin, “a little world within itself.” Here, prehistoric-looking marine iguanas bask on stark volcanic landscapes, barking sea lions loll about on pristine white beaches, and magnificent frigatebirds nest in the silvery palo santo trees. Finches flit between tree branches and schools of golden rays swim among the intricate roots of mangrove stands.

We invite you to witness the iconic creatures and habitats of Galápagos for yourself on an incredible voyage aboard the *National Geographic Endeavour II*. Equipped with kayaks, stand-up paddleboards, a fleet of Zodiacs, and a custom-designed glass-bottom boat, this 52-cabin expedition ship is purpose-built to bring you unforgettable experiences. Paddle along rocky shores beside gliding sea turtles, snorkel with penguins, and hike among dancing blue-footed boobies. There will also be plenty of chances to spot marine life—like leaping dolphins and rays—from the comfort of our ship.

Our tour operator, Lindblad Expeditions-National Geographic, has spent decades exploring Galápagos and is well known for the exceptional travel experiences they offer in the archipelago. Their naturalists have a deep knowledge of island species and habitats that allows them to make the most of nature’s opportunities—which means you will enjoy adventure-filled days and amazing wildlife sightings. Many are also Galapagueños, providing an authentic connection to the region’s culture.

Make the most of your time and add an optional post-voyage land extension to Peru, exploring Machu Picchu, the Sacred Valley, Cusco, and Lima. We hope you will join us to discover these magical places.

To reserve your space, please return the reservation form, email groups@expeditions.com or call our group representative at Lindblad Expeditions at 833-985-1261.

Discover the Magic of Galápagos

A Wilderness Like No Other

Few wildernesses are more iconic than Galápagos—the lava-sculpted realm that once played host to Charles Darwin and his living laboratory. Home to a menagerie of wild and wonderful creatures with no instinctive fear of humans, the archipelago’s pristine seas and shores still look much as they did when the legendary naturalist arrived nearly 200 years ago. Penguins welcome visitors while wizened marine iguanas sunbathe on volcanic rocks and giant tortoises roam through misty meadows. Discover these wild wonders and much more on an immersive adventure refined over decades of voyaging to these magical isles.

Actively Explore Every Day

Our Galápagos itinerary features daily activities for every skill level, with each excursion designed to immerse you in the Enchanted Isles. Snorkel with acrobatic sea lions, go on a photo walk to capture up-close images of blue-footed boobies, or take a ride in a glass-bottom boat—you can explore your way, every day.

We also reveal the wonders hidden beneath Galápagos waves through our in-depth undersea program. The voyage features an undersea specialist who documents the marine environment, gathering footage for daily Recaps in the lounge so that all guests can glimpse the fascinating sea creatures and their oceanic habitats.

Opposite page (clockwise from top): A blue-footed booby sitting on nest and two chicks; Galápagos flamingo; great blue heron takes flight in front of San Cristóbal Island, Galápagos National Park.

Get a New Perspective on Iconic Wonders

A Perfectly Appointed Expedition Ship

Equipped with expansive decks and custom tools, *National Geographic Endeavour II* is geared for adventure. Guests have access to kayaks, stand-up paddleboards, a glass-bottom boat, and dedicated snorkeling gear, and our nimble Zodiacs allow for exploration along the archipelago's hidden shores.

Superior amenities ensure discovery continues on board. Read up on Galápagos luminaries in the library before heading to the lounge for your nightly Recap. Or unwind in the fitness center or spa treatment room. You can also enjoy a taste of the archipelago at every meal through our pioneering farm-to-table food program.

Travel with a Veteran Team

Every member of our team—from our naturalists to our expedition leaders—is committed to ensuring you have an unforgettable experience. Many of our veteran guides are Galapagueños; in addition to sharing their extensive knowledge of island species and habitats, they offer an authentic connection to local culture.

A Lindblad Expeditions-National Geographic certified photo instructor also joins the voyage to assist travelers with everything from camera and smartphone settings to composition. Every guest, at every skill level, can stand side by side with top photographers, pick up tips, and return home with the photos of a lifetime.

Voyage Itinerary

Explore the legendary Galápagos Islands aboard our comfortable 52-cabin expedition ship, well equipped for active exploration and meaningful encounters with wildlife.

DAY 1: Quito or Guayaquil, Ecuador

We meet you on arrival in Ecuador, either in Quito, Ecuador's capital city in the Andes, or in the coastal city of Guayaquil, for an included transfer to your convenient hotel for an overnight stay. Both cities are well-served by international carriers, and Galápagos flights start and end in Quito with a stop in Guayaquil. Guests in Guayaquil stay at the locally owned Hotel Oro Verde and have the choice of several hotels in Quito, including a convenient airport hotel.

DAY 2: Quito or Guayaquil/Galápagos

This morning, take a required flight to the Galápagos Islands (booked by Lindblad Expeditions at an additional cost) and board *National Geographic Endeavour II*. After lunch, we begin our exploration of the islands and their diverse wildlife. (B,L,D)

DAYS 3-8: Exploring the Galápagos

Our expedition includes visits to Santa Cruz and a careful selection of other diverse islands. Our itinerary offers an optimal balance of wildlife, landscapes, and experiences. All itineraries are subject to Galápagos National Park regulations. Here is a sample of islands we may visit during our expedition. (B,L,D Daily)

Española

Home to swallow-tailed gulls, Española mockingbirds, Nazca boobies and, seasonally, the world's only population of waved albatross at Punta Suarez.

Floreana

Follow a trail past a rose pink-tinted lagoon frequented by flamingos. Snorkel among sea lions and abundant fish, or cruise along Champion Islet by Zodiac. Visit the famous barrel at Post Office Bay.

Santa Cruz

Santa Cruz is not just the principal town in the islands, it is home to the Charles Darwin Research Station, where you learn about the science being done here. Visit the neighboring captive breeding program for

Galápagos giant tortoises being conducted by their partners in conservation, the Galápagos National Park Service. Later after lunch in the highlands, search for wild Galápagos giant tortoises in their native habitat. Continue on a second day exploring the north of the island at Cerro Dragon, the habitat of the colorful Santa Cruz land iguanas, brought back from the brink of extinction. Later take a Zodiac cruise or paddle a mangrove-lined lagoon.

Bartolomé

Walk to the top of Bartolomé's volcanic cone for a stunning view of Pinnacle Rock and the surrounding golden sand beaches. After the hike, immerse yourself among schools of multicolored reef fish. You may also have the opportunity to swim with Galápagos penguins. Visit Sombrero Chino, the nearby islet in the shape of a Chinese hat, where you can take a Zodiac ride along the Sullivan Bay lava flow, and may also kayak and paddleboard.

Genovesa

Sail into a flooded caldera, walk among swallow-tailed gulls, red-footed boobies, and Nazca boobies and keep a lookout for hunting short-eared owls. Ride Zodiacs, kayak along the caldera, and snorkel among large schools of parrot fish at this magical place.

DAY 9: Galápagos/Disembark/Quito or Guayaquil

Disembark this morning for a return flight to the mainland, where we transfer to Hotel Oro Verde in Guayaquil, and have several options in Quito, including a convenient airport hotel. The afternoon and evening are at your leisure. You may be able to take advantage of overnight flights home. (B)
